One of the joys of living in Lookout Highlands is our ability to hike for pleasure, walk our pets, and socialize in the outdoors on our roads. With the busy holiday season, it’s sometimes easy for those of us in vehicles to get caught up in the hustle and bustle and forget about safety... 

So here’s a friendly reminder to everyone that the speed limit throughout our entire neighborhood is

![SPEED LIMIT 20]

for cars, trucks, ATVs, golf carts, RVs, scooters, etc!

In addition, please remember that vehicles entering the gate have the right of way and do not have a stop sign.

![STOP]

But all vehicles leaving our community are required to STOP at the stop signs posted at the 4-way intersection of Highlands Drive/Wolf Run and Highland Forest.

We have many twisting and hilly roads, and other stop signs are posted at key intersections – please be sure to STOP and look both ways before proceeding.

Thanks for slowing down and exercising extra precaution.

Wishing everyone a festive and SAFE holiday season!
